**A:** The ticket price, which all goes to local charities, includes; 20 + gumbo samples, Louie's crawfish boil, live music with 7 bands on 2 stages throughout the entire event. Additional costs would only be for drinks and merchandise.

## **Q: WHAT'S WITH THE MUFFIN TINS?**

**A:** Muffin tins are an easy way to carry a bunch of gumbo samples! We will have tins at Louie's Merch table while supplies last or feel free to bring yours from home.

## **Q: CAN I BRING MY UNDER 21 CHILD?**

**A:** Yes! We advertise the event at 21+ because of the focus on loud live music and multiple bars in a crowded 21+ environment. Knowing this if you feel comfortable bringing your child they are welcome. Under 21 will have a separate wristband and hands marked at the door. 0-4 can enter free, 5 and up must pay the ticket price.

**A:** Our parking lot is covered in a giant tent to house the event. Street parking is available on Walbrige St. , Adams overflow and any spot you can find near Louie's to head over.
